

Purple Turtle Diving Adult Programmes

Our company aim is to teach the world to dive safely. We run programmes for small groups (maximum 4 participants per qualified diving professional) to ensure you get the best experience. We offer training from entry level scuba courses through to professional level training (Divemaster and Instructor) and deep, technical training.

Our Adult programmes are available for those over the age of 10 years old, however we do recommend that our younger divers consider our Kids Programmes for a gentler introduction to the underwater world (please request the Kids Programme flyer).

Try Dive Session

Have you ever wondered what it's like to breathe underwater? If you want to find out but aren't quite ready to take the plunge into a certification course, Discover Scuba Diving will let you try scuba to see if you like it!

The 2-hour experience (approximately 1 hour in-water time) is £45, which includes everything required for the experience. Full details are available at <http://www.purpleturtlediving.com/recreational/beginners-courses/padi-discover-scuba-diving-experience/>

Open Water Diver course

This course is the most popular entry level course and consists of theory (delivered through an eLearning platform at your pace), pool sessions to learn skills and 4 dives to put those skills into practice.

The course cost is £450 and includes your materials, pool sessions, open water dives, equipment rental and gas. Not included is site entry for qualifying dives. Full details can be found here: <http://www.purpleturtlediving.com/recreational/beginners-courses/open-water-diver-course/>

Please note that the course can be split to complete the qualifying dives abroad (although we believe we have some of the best diving in the world here in the UK!).

Further training

We pride ourselves on offering a large variety of courses as well as trips, so please do visit our website. Our range includes taking the next steps following an Open Water course, through to Instructor level training for both diving and first aid with Toni, our in-house Course Director. We also offer an extensive technical diver training programme through TDI and PADI.

To speak to us or to book, please contact Purple Turtle Diving on info@purpleturtlediving.com or on 07792 723 938.

Purple Turtle Diving Children's Programmes

Our kids club has been specifically designed to introduce kids to the wonderful world of scuba diving. The main focus of the club is to allow kids to explore diving in their own time, with an emphasis on safety and fun!

Every child takes on board the information, feelings and sounds in a different way and we let the individual determine the pace of their experience.

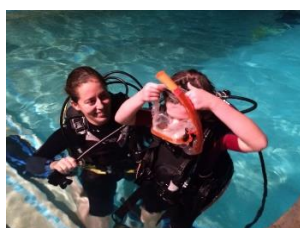

Kids club is designed for kids from the age of 8 to 14. While children are able to start standard entry level courses at the age of 10, we have found that this level of training is not always a fun introduction for kids.

The kids club will allow kids to progress from a series of exploration sessions (PADI Bubblemaker dives) to PADI Seal Team and for the most ambitious, the PADI Master Seal Team! When the child wishes to progress to a full entry level course, this builds a strong foundation for the young divers.

Bubblemaker Session

Every child's initial session will be a one on one session with one of our PADI Professional staff who are experienced in working with children. This ensures that each child is able to complete their first session completely at their own pace, without any peer pressure from their friends or other participants.

Course cost is £75 for a 2-hour experience (1 hour 15 mins in-water time), which includes everything required for the experience and there is an option for an adult to join the session. Full details at <http://www.purpleturtlediving.com/recreational/kids-programmes/padi-bubblemaker/>

Seal Team

This course consists of 5 AquaMissions, which teach children to become more confident with diving equipment and learn some of the key diving skills in a fun and low stress environment.

Course cost is £225 for the 5 2-hour sessions and the Seal Team manual and DVD. Full details at <http://www.purpleturtlediving.com/recreational/kids-programmes/padi-seal-team/?LMCL=Gvgym5>

Master Seal Team

This course consists of 10 specialist AquaMissions from Navigation to Safety AquaMission, which teach kids that have completed the Seal Team some more in-depth and specialised diving techniques.

Course cost is £425 for the 10 2-hour sessions. Full details at <http://www.purpleturtlediving.com/recreational/kids-programmes/padi-master-seal-team/>
