

BADMINTON COACH

Manoj Gupta

I am a professional chartered engineer and started coaching in 2005, first in Scotland, and then Australia between 2011 and 2014 before returning to the UK where I continued coaching and providing guidance to kids and adults from beginner to expert.

I represented at State and National level in India during 1989 to 1993 and won multiple championships.

Ambition: To coach promising players to grow in their skills and compete at a high level. Also coaching provided to adult beginners who can benefit hugely by playing this beautiful game.

Favourite sports other than badminton: Cricket, Chess, Tennis, Squash and all other racket games.

Coaching sessions: both group and 1-2-1 sessions are available.
