

Due to the coronavirus pandemic and the Government's announcement that all leisure centres should close; Croydon High Sports Club will close from 10pm on 20 March 2020 until further notice.

We would ask that all sports club enquiries be made by email to croydonsportsclub@cry.gdst.net

Sports Club Member Notice

Some members have already arranged to freeze their memberships until 1st June. This period will be extended if we are still closed in June or if those members request it.

For all other members, please rest assured that we will not attempt to collect any direct debits at the beginning of April for memberships. Please do not cancel your direct debits at your bank as we may have to charge an administration fee to start a new direct debit when the sports club re-opens. When the Sports Club does re-open, we will give members plenty of notice before we collect the next direct debit payments.

Annual members will have the closure time added onto the end of their membership period.

If you have any queries please email us at croydonsportsclub@cry.gdst.net and we will reply as soon as possible.

We very much hope that all our valued sports club members and their families stay safe and well during this extremely challenging period.

Kind regards

Croydon High Sports Club
