

3 NOVEMBER 2020

DEAR SPORTS CLUB MEMBERS AND CUSTOMERS,

As many of you will already know, the national lockdown announced on 31st October 2020 will enforce the closure of Croydon High Sports Club for at least 4 weeks. We will close at 10pm on Wednesday 4th November.

Direct Debit Members

The November membership fees collected on 2nd November will be deferred until we open again – planned for 2nd December but will depend on future guidance from the government. This means that no payments will be collected in December.

Annual members

For annual members, the time that we are closed will be added on to the end of the membership. Individuals will be emailed with new expiry dates once a re-opening date is confirmed.

Interested in Joining as a Member?

Memberships are available for our 25 metre pool, fitness suite and for our group exercise classes. If you are interested in joining the sports club when we re-open please contact the sports club on croydonhighsportsclub@cry.gdst.net and we will reply as soon as possible.

Thank You!

We would like to thank members and hirers for their continued support and very much hope that we see you all again early in December.

Kind regards

Croydon High Sports Club
