

**21 DECEMBER 2020**

**DEAR SPORTS CLUB MEMBERS,**

Unfortunately, the Sports Club is closed until further notice due to Greater London moving into Tier 4 of the COVID-19 restrictions.

As with previous COVID related closures, members direct debits will be suspended; we will not collect membership fees for January. Once we have a confirmed opening date, members will be given advance warning of new collection dates and information about reduced fees for time missed in December. Annual members will be informed of amended expiry dates for the memberships.

We would like to thank all members for doing their bit to keep the Sports Club a safe environment for everyone over the last few months. We look forward to opening again at the earliest opportunity.

The sports club office will not be staffed during the Christmas holidays; please email [croydonhighsportsclub@cry.gdst.net](mailto:croydonhighsportsclub@cry.gdst.net) for all enquiries and we will respond as soon as possible.

**Kind regards**

**Ceri Grimwood**  
**Croydon High Sports Club Manager**
